## CASHBAH AUCTION TO BE HELD MARCH 30

Cashbah '74, SLUH's 5th annual dinner auction will be held on Saturday, March 30th. This event, sponsored by the Mother's Club, the Father's Club, and the Alumni Association, is the major money-making affair of the year. The 1974 goal is \$50,000, a sizeable increase over last year's total of \$31,000. Hopefully, the larger selection and better quality of items available will be enough to help attain the higher goal. Items vary in size and value from 500 gallons of gasoline to 10 acres of land in the Osarks. Quite a fine selection of quality antiques has already been obtained.

Much time and work by many adults has gone into making Cashbah possible up until now. Student help will be needed, however, to help set up the auction on Friday afternoon, work on Saturday night, and clean up on Sunday morning. The auction itself will be the big task, and over 100 students will be needed to work between 5 pm and midnight. Sign-up sheets will be placed in the second-floor, middle corridor in the next week. If you have any questions, see Eric Koetting (217).

In your prayers, please remember the soul of Peter H. Glatt ('73) who died in an auto accident Sunday.

## BABY PICTURE CONTEST FOR FACULTY FOIBLES

This year's Faculty show will be highlighted by a baby-picture contest in which the students try to match up the baby picture with the teacher. In a Prep News exclusive interview, Mr. William Karduck outlined the contest rules:

1. Contest runs from March 18 to April 3.
2. All students will have a chance at winning.
3. On the 18th, each student will receive a ballot from his homeroom teacher. When he has completed the ballot he gives it back to his homeroom teacher to be corrected.
4. There will be 25 photographs of faculty, librarians, and main office help.
5. A grand prize will be awarded to the lucky student who guesses the most pictures correctly.

## SENATE PROPOSES ANOTHER FR. KELLETT BILL

At this week's Student Senate meeting, another Fr. Kellett Memorial proposal was discussed. The purpose of this proposal is to re-name the Blessed Sacrament Chapel after Fr. Kellett. This measure will be voted on at the next meeting.

Also the subject of making up the January 9 snow day was discussed. The students have a choice of which day they wish to make up. The choices are: Holy Thursday (April 11), Easter Monday (April 15), or Carnival Monday (April 22). On Holy Thursday, there is a possibility of scheduling only a half-day.

## AD CAMPAIGN IN HOME STRETCH

Before this final week of the Ad Campaign, Chairman John Mehan announced that \$2809 had been collected. The breakdown according to classes is: Freshmen \$726, Sophomores \$680, Juniors \$282, and Seniors \$1121. Another \$70 has been collected by the girls' reps. When asked about the low junior total, Mehan remarked, "The junior class, supposedly into it and taking everything over, has sold half as much as any other class. I don't know what they're waiting for, they've only got till Friday."

BASEBALL TEAM LOOKS  
FORWARD TO SEASON

Mr. Vitale, Jr. Bills' baseball coach, believes that the Jr. Bills are an improved team this year, despite the loss of Rick Krieger, star catcher on last year's squad. Mr. Vitale says that this year's infield is better, complementing a more experienced pitching staff. Although he believes long-ball power will not be as great, batting averages will be better. The team should be stable at every position, despite inexperience at third and first base. Mr. Vitale believes that Tom Meyer is just as good a catcher as Krieger, which would be a very pleasant addition. Team strong points are hot-hitting second - baseman Hanneke, shortstop Cosgrove, and probable starters Klostermeyer, Detwiler, and Mathews. With Mr. Fava aiding him, Mr. Vitale has had a better opportunity to take a good look at the 29-man roster.

Last year, the Jr. Bills were second in Bi-State to Althoff. Although 6-3 is very respectable, Mr. Vitale hints that this could be the Jr. Bills' year. Althoff and DeSmet will be tough, but Mr. Vitale figures to at least make it difficult for them.

graduate of SLUH. He says in his dossier, "My first art experiences took place in Fr. Doyle's drawing class and while painting scenery for Mr. Schulte." Presently, he is completing his master's degree in fine art at Southern Illinois University.

Mr. Hutchison's art works will be on display through the month of March.

MR. CALACCI FEARS THAT  
TRACKMEN HAVE LEAD SHOES

As Track and Field practice enters its 2nd week, Coach Calacci is apprehensive about the upcoming season. Despite several outstanding prospects, the team presently lacks the depth needed to have an outstanding season. The first competition for the trackmen will be a duel meet with St. Mary's, here on April 1.

Some of the brighter spots on the Varsity squad this year are: distance runners Rick Fitzpatrick and Tom Paino, hurdler Greg Hunt, sprinter Charles Ganaway, quarter-miler Greg Chura, and shot put and discus man Greg Mayhew. Mr. Calacci, Fr. McCabe, Mr. Owens, and Steve Grace are the coaches for the 1974 season. Coach Calacci stressed that in order to compete successfully, there is a great need for juniors and seniors who have the ability in Track and Field to join the team.
