SENATORS DISCUSS STU-CO ORGANIZATION

by Mark Mitchell

In the past 2 weeks, the Student Senate has passed the first alternate proposal for next year's calendar, and met with the new Stu-Co officers. The calendar bill provides a school year starting August 22 and ending May 23. Whether or not the calendar goes into effect hinges on the results of a faculty poll being taken now.

Jerry Dwyer, next year's president, said that the officers were devoting this week to basic organization of next year's Stu-Co. He also claimed that several people have expressed optimism towards the '74-'75 Stu-Co.

Communications Commissioner Mark Mitchell explained that the commission would replace the present Student Senate, and would function as one of the six Student Council standing committees.

Brian Coad ('76), Steve Moore ('76), and Bob Scherrer ('77) were formally elected to the Communications Commission. Anyone who is interested can join this or any other committee, by contacting one of the committee chairmen, whose names are posted on the Student Council bulletin board.

AWARD WINNING PHOTOS ON DISPLAY IN LIBRARY

by Bert Bender

A collection of prize-winning photographs taken by 7th to 12th graders across America is on display in the library from now until May 1st.

These photos are the critics pick in the Kodak-Scholastic Photography Awards contest, which is sponsored by Eastman Kodak Co. and Scholastic Magazines. Prizes for the pictures on display ranged from \$20 to \$1000 scholarships, and the pictures are in a variety of categories: black and white, color, still life, portraits, action photos, plus others.

FR. MATTIONE STRICKEN

by Jim Bante

We ask your prayers for Father Louis Mattione, who suffered a heart attack on Wednesday of last week, while on the way to one of his three classes. Then, last Monday, when he was almost out of the Intensive Care Unit at St. Mary's Hospital, he suffered a stroke which paralyzed his left side. He has been improving steadily since then, and has regained most of the movement in his left side.

SPRING CARNIVAL-- GREAT SUCCESS

by Bert Bender

The annual SLUH Spring Carnival was a huge success this past weekend, according to the Student Council. The Carnival itself grossed \$11,000 and the car raffle brought in \$8200 before expenses. There are still many students who have not turned in car raffle tickets or money, so that figure may go higher.

The Car Raffle winners were: Rod Mackin, the '74 Ford Maverick, John Bargzelewski, the color TV, and Mike Watkins, the 10 speed bike.

The Modern Language Department also held a raffle, netting \$163. In that raffle, Mike Shari-mitaro won the Spanish sword, Tim Stapp got himself a poncho, and a Mrs. Callahan won the Bark painting

Meanwhile, in Rm. 28, audiences were going wild viewing this year's Junior Movie, "A Night At The Coronation."

The film was a financial as well as artistic success, netting over \$478. Close to 1,700 people saw the film, not including those who received free passes in their hamburgers Thursday and Friday in the cafeteria.

**WALK FOR DEVELOPMENT
SET FOR MAY 5TH**

by Bert Bender

The 5th annual Walk for Development, to raise money for self-help charities, will be held over a 25 mile route starting and ending at Webster Groves Memorial Field on Sunday, May 5th beginning at 8:00. SLUH students are needed to participate in the walk, and to enlist sponsors for the Walk.

The Walk is sponsored by Young World Development, and their SLUH representative is Dave Frane, homeroom 215. Young World Development is an organization dedicated to "combat poverty throughout the world by funding self-help programs and educating people to domestic and international needs". The goal of this year's program is to collect \$32,000 for distribution among development projects in need of financial assistance. Two programs in Howardsville and the "boothel" of Missouri are aimed at self-improvement in these poverty stricken areas. Another program, in Mexico, helps a tribe improve its medical services, industrial and agricultural development, and tribal leadership. St. Louis area projects include financial assistance for Therapy Consultants Associated, (for children with emotion-

**SENIORS FOLLY
COMING SOON**

by Jim Offner

The Senior Class's annual production of the Senior Follies will be presented on May 4th, 5th, and 6th. The show will have a review format, as was last year's Follies, filled with sketches, songs, and black-outs (one or two liners) about SLUH.

This year's production is produced and directed by Mr. Shulte. Choreography is directed by Mr. Craig and Mr. Pasqualuci, and Mr. Becvar is directing the singers. The senior members of the band have arranged the orchestration.

(WALK cont. from col. 1)
al problems), the Loop-West End People's Clinic, the Grand-N. Market Neighborhood Program, and Parishes Associated in Kinloch, and other worthwhile projects.

Further information on the Walk is available from Dave Frane or the Young World Development at 776-3118.

Another Walk for charity to be held soon is the 3rd March of Dimes Stroll * A Thon, set for Saturday, May 4th. Additional information can be obtained about the Stroll * A Thon from Mike Kertz and Mike James in homeroom 210 or by calling 725-2732.

**DEBATERS TO CLASH
WITH CHAMINADE**

by Sean Duchinsky

The SLUH 1974 Bellarmine Debators will start their season on Monday the 28th with a meet against Chaminade. The debate topic is "Resolved: The U.S. should guarantee a fixed-annual income to each family unit."

Fr. Windle and Mr. Oles are the two coaches, instructing the inexperienced Freshman team in the subject for the meet with Chaminade next Monday. The two coaches are assisted by seniors who help the teams to debate in practice to gain the necessary skill for debating. "It is largely a part of the approach, instead of finding an entirely workable proposition," says Fr. Windle, the ideal is to debate you stand and attack theirs efficiently." Using the techniques of argumentation, rebuttal, cross-examination, and revamping, the team is optimistic about their coming meet and the future.
