WALK FOR DEVELOPMENT COMING NEXT MONTH

The Walk for Development, an annual project of Young World Development, is scheduled to take place on Sunday, May 6.

The walk will begin at the Arch between 7:00 and 8:00 A.M. The walk will follow a 30-mile path through St. Louis and surrounding counties, terminating at SLUH.

The walk is a 30-mile hike designed to draw attention to the problems of hunger and poverty, and to raise funds for self-help programs sponsored here and abroad by the Young World Development. The money is collected by volunteer walkers, who are sponsored by patrons for every mile they walk. The three previous walks raised about \$112,000.

Sponsors, walkers, and other helpers are needed to make the walk the success it has been in the past. People to see for more information are: Dave Frane 203-main organizer for the whole city of St. Louis, Mike Stone 217, Ed Sherman 208, and Joe McCormack 201. Information can also be found by calling 776-3118 or 865-2242.

RUMMAGE SALE HERE TODAY

Today and tomorrow the annual rummage sale will be held in the Auditorium. Some of the more prestigious items on sale are a television set, an accordion, and a tape recorder. Also, there are great quantities of clothing, paintings, and books.

NEW WIRING COMING SOON

The strange noises which have been heard around the U. High this week have a simple explanation. Workmen are now installing pipes for replacement of the school's aging electrical system.

Transformers and some wires were replaced last year. More wiring is now being replaced. The electrical work will be completed this summer, when the power can be turned off for the entire building.

TWO SLUH STUDENTS PLACE IN NATIONAL FRENCH CONTEST

In the National French Contest Exam sponsored this past weekend by the American Association of Teachers of French, Tom Niesen placed first in Level V. David Herriford placed 5th in the Level II competition.

ANOTHER SLUH STUDENT PLACES IN NATIONAL SPANISH CONTEST

This week, David Herriford was announced as the third place winner in the Level II competition of the National Spanish Examination.

RAFFLE TICKET WINNERS

1973 SLUH CARNIVAL: IN RETROSPECT

The 1973 Spring Carnival appears to be a success. Even though the figures will not be completely tabulated for about two weeks, and the figures are at this time only rough estimates, the total profits will run around \$6,000. The Car Raffle, brought in \$4,000 in profits, and the carnival itself produced about a \$2,000 profit. If the weather had been better Sunday night, the gross would have been somewhat greater.

Overall the participation on the part of the students was very good. Overtime hours by many individuals in each of the classes and Fr. Wayne made the Carnival a well-organized success.-----John O'Neil

USAF ACADEMY, ROTC INFORMATION PROGRAM COMING

Representatives from the United States Air Force Academy will sponsor a Grass Roots Information Program on Sunday, April 29, 1973 at 1:00 p.m. at the Military Research Center, 9700 Page Boulevard, Overland, Mo.

High school students, parents, teachers, and counselors are invited to attend to learn about the Air Force Academy and the Air Force ROTC program.

# LETTERS/SPORTS

Dear Editor:

I know that I am speaking on behalf of the other officers when I congratulate everybody on the fine job they did over the weekend. It was a terrific experience for me.

I would also like to thank those who helped me collect and count the money. Generally, it was a tedious and boring job, but I had a lot of enthusiastic help.

Moreover, I would like to apologize to those with whom I lost my temper. There is really no excuse for the way I acted, but I'm sure everyone will realize the tremendous responsibility I had, and that security was imperative.

All in all, it was a very enjoyable weekend. Again, thanks to all.

--Greg Krause, Student Council Treasurer

oooooooooooooooooooooooooooooooooooooooooooooooooooo

Dear Fr. Pilgram:

First a great big thank you for your generous checks. We applied both your checks to the Nelson Electric Company. Now we owe them about \$50, and poor Pepsi-Cola hasn't been paid any of the \$84 bill.

We plan to have a rummage sale this Saturday, so we will be able to make a dent in that Pepsi bill. They certainly have not lost their patience about getting their money. We also plan to spend part of our rummage sale earnings to have an exterminator come in--the cockroaches are getting as big as some of the first graders, and it's about as easy to collect tuition from them.

We thank you and appreciate you helping us pay off some old bills.--Mrs Kellerman Sacred Heart School, El Paso, Texas.

## BASEBALLERS DEFEAT CBC FOR FIRST VICTORY OF THE SEASON

The Junior Bill baseballers have a 1-2-1 record so far this season. The team's only win came last Friday at the expense of the CBC Cadets.

The team had great hitting, especially from Tim

Twellman, who went 4 for 5, and from Tim Gibbons, who hit a home run. According to Mr. Vitale, the pitching game is improving with Klostermeyer and Rau.

The Junior Bills' defeats were at the hands of Al-

thoff, 3-0, and Roosevelt, 5-4. In both games, the deciding factors were fielding errors and cut-off mishaps. The Bills tied Southwest, 9-9, with a rally in the sixth and seventh innings.

## TRACK TEAM SPLITS PAIR

The U. High cindermen lost to Hazelwood last Friday, their first loss of the season, after coming off an impressive victory over Assumption two days earlier.

The tracksters had many highpoints during their defeat to Hazelwood: Dave Mossinghoff, Bill Wendel, Mark Meredith, and Bob Bieg. Bob Kister apparently set a record on the discus but his foot stepped outside the ring.

The JV tracksters were also defeated by Hazelwood.

## CHESSMEN WIN CONFERENCE

Chessmen clinch conference title by defeating U. City by the score of 3-2.

## RACKETMEN OPEN WITH 2 WINS

The tennis team opened its season on April 2 with a 3-2 triumph over U. City. Last Thursday, the team played against John Burroughs at Forest Park. The team scored an easy 4-1 victory. Tom Brightfield won a 6-4, 7-5 victory at the first singles spot. Ken Brightfield, playing second singles, won his match 6-2, 6-4. Mel Labrador lost a close 6-4, 6-4 match at the third singles spot. The two doubles teams both won easily. The team of Mike Leahy-Chris Pottmeyer scored a 6-3, 6-4 victory, and the team of Dan Pelletier-Tom Patton won 7-5, 6-4.----Dan Pelletier

## GOLF PREVIEW

This year's golf team, coached by Mr. Przybyski (Shi-bil-ske) is looking forward to another Bi-State crown this year. Though the majority of the members are new to interscholastic golf, the team will not easily be defeated.

The members of the team are seniors Downey, B. Burton, Strebeck; juniors Keeley, J. Burton, Berron, Moore, Nieman; and sophomores Neuner, Cummings, Steck, and McCalpin.

The team has an 18 match season this year. The team bowed to John Burroughs in the first match, 279-274. The next match is against Assumption at Fairmount Golf Course.--John O'Neil
